## President's Report

---

TO THE TRUSTEES OF THE  
SOLDIERS' HOME IN MASSACHUSETTS.

*Gentlemen:* I herewith submit my report and the Annual Report of the officers of the Home.

There have been four regular and five special meetings of the Board. In my last report I said that "the work increases from year to year," and I have found it so during the past year. The first part of the year I made frequent visits and was there often, but as the weather became warm I was not able to go as often as I wished. You will find by the report of the Superintendent of the Home that we have increased in numbers and that we have been up to the limit most of the year, and a waiting list of from ten to twenty. The highest number in the Home at any one time, 538. The average age of Civil War veterans, 69.1 years; the oldest, 91 years. Spanish War veterans in the Home during the year, 22.

At the last Annual Meeting the Board of Trustees approved of a memorial that Department of Massachusetts Woman's Relief Corps were to erect in memory of Mrs. Elizabeth A. Turner, and if possible to have the same placed on the Soldiers' Home lot in Forest Dale Cemetery, as she was so interested in the Home and all that we were doing to care for the needy veteran to make his last days as comfortable and pleasant as possible, and provide a last resting place when he answered the last roll-call. The same was accomplished, and the tablet to Mrs. Turner was unveiled on Memorial Sunday and turned over to the Board of Trustees with appropriate exercises by Mrs. Lue Stuart Wadsworth, Department President of the Woman's Relief Corps, and in your behalf I accepted the same as your President. Again death has entered our ranks and two of our associates have answered the last summons and are on the camping ground above.

Gen. Horace Binney Sargent, the originator of the Home and its first President, died at Santa Barbara, California, on Jan. 8, 1908.

Although not permitted to meet with us for several years on account of infirmities, still he was always interested in all our doings and rejoiced that Massachusetts was able to do so much for his comrades. What better monument could be erected to perpetuate his memory than the Soldiers' Home in Massachusetts?—and we hope it will long endure until the last Civil War veteran, sailor or marine, has passed on to the other side.

Elisha T. Harvell, Vice-President of the Board, was called suddenly on Feb. 26, 1908, to take his place with those beyond. We shall miss him from our councils, as he was always present and took an active part in our deliberations, and was ever ready to do his part of our work.

Suitable resolutions were presented to the Board on the death of these two Trustees and placed on our records, and copies sent to the families of the deceased.

We have created during the past year a new office, that of Chaplain of the Home. Trustee Joseph F. Lovering having resigned, he was unanimously chosen as our first Chaplain, and has filled the position satisfactorily to your Executive Committee.

Lucius Field of Clinton was chosen Trustee in place of Trustee Harvell, deceased.

Charles K. Darling of Concord was chosen in place of Trustee Lovering, resigned.

In January our By-Laws were changed and charter amended so that the Department Commander of the Massachusetts Grand Army of the Republic shall be a member, that the Massachusetts division of the Sons of Veterans, U.S.A., and the Department of Massachusetts Spanish War veterans be represented on the Board of Trustees, and that the property of the Trustees shall revert to the committee after the purpose for which charter was granted has been accomplished. These several changes in charter were granted by the Legislature.

Trustee Eli W. Hall was elected Vice-President in place of Vice-President Harvell, deceased. Trustee Charles K. Darling was appointed Assistant Treasurer, and his appointment approved by the Executive Committee, May 15, 1908.

During the year the City of Chelsea was visited by a disastrous conflagration. Col. C. E. Hapgood, the Superintendent of the Home,

at once offered the use of the Home and opened its doors for shelter and medical attendance to any who were sent by the proper authorities. Sixty-four were kindly taken care of until more suitable places could be secured for them.

Former Surgeon-General Robert A. Blood was in December, 1907, elected Surgeon of the Home, and later took up his duties and is conducting the same very acceptably to your Executive Committee.

Dr. Philip C. Means was obliged to be away for some time for rest and Dr. Albert J. Shaw took his place.

Dr. Lawrence R. Hill had a severe case of blood poisoning and was obliged to be at the Massachusetts General Hospital for some time, and Dr. Melville E. Webb took his place, and everything in connection with the hospital has been going on as well as could be expected.

The work of building the new hospital has been going on during the past year, and we expected to have had it completed ere this, but have failed to do so. It is expected to be ready to occupy by the first of the year. By vote of the Board of Trustees it has been named

### **Capt. John G. B. Adams Hospital**

in honor of one who gave the best of his life to help his needy comrades, and who was for many years President of Board of Trustees.

Two weeks previous to Thanksgiving I was informed by the Superintendent of Markets that the marketmen of Quincy and Faneuil Hall markets had so many calls from other charities that appealed to them more, that I had better omit my yearly call. I at once had a circular prepared and sent to all that had contributed previously, thanking them for their kindness in the past and that if at any time they wished to contribute to send enclosed postal card to Superintendent of the Home and the wagon would call; and we called and received their donations.

The thanks of the Board are due to Superintendent Col. C. E. Hapgood, Surgeon Blood and his faithful assistants, Dr. Means and Dr. Hill, and all the other officers of the Home, for the faithful performance of their duties in caring for those in our care.

We should also ever remember the grand and noble work of the Ladies' Aid Association, Woman's Relief Corps, Sons and Daughters of Veterans and all others who have assisted us during the past year. We say, "God bless them all."

Respectfully yours,

PETER D. SMITH.

Subsistence . . . . .	31,261.91	38,433.60	7,171.69

\* Decrease.

The average number of members of the Home during the year is 437, and the total cost per capita, based on current expenses, \$274.29 +. The cost per capita for subsistence is \$87.95, as compared with \$73.04 the preceding year.

Respectfully submitted,

WM. M. OLIN, *Treasurer.*

## Report of Auditor

---

Boston, October 6, 1908.

I have examined the account of cash receipts and expenditures of the Soldiers' Home in Massachusetts, as recorded by William M. Olin, Treasurer, from July 1, 1907, to June 30, 1908. All the disbursements are represented by proper vouchers, which have been approved by the auditing committee. The checks and endorsements thereon given in payment of bills have been examined and found correct.

The cash on hand June 30, 1908, was \$5,727.18 as shown above, and \$10,000 special deposit in the Beacon Trust Co., on which interest to the amount of \$325.85 had accrued October 1.

(Signed) G. S. DAVIS,  
Auditor.

Valley Spirit..... Chambersburg

Nothing of an unusual character has occurred during the past year. The members have been provided with the necessities of life without stint, and peace, comfort and happiness have prevailed.

The health of the Home has been good, considering the physical condition of the members.

The pressure for admission continues. At this writing the Home is crowded and all beds occupied, but the completion of the new hospital at an early date promises relief, as 172 beds more will be available, allowing the acceptance of that number.

The low-pressure water supply in vogue last year, necessitating the constant use of steam pumps, has been changed to the high-pressure main, thereby saving considerable labor and expense.

The buildings of the Home are in good condition, a few repairs being needed, also a coat of paint. The interior of main building has been painted and walls and ceilings whitened where needed.

The men of the Home are willing to make the best of such inconveniences as occur, and their conduct during the year has been generally good; arrests under minor charges have slightly increased, caused mostly through drink, the City of Chelsea voting for license, making it possible to obtain liquor within three minutes' walk of the Home.

Many contributions of magazines and books have been received, and the increased number of books issued show a growing appreciation among the members of the Home of the advantages of the library.

The increased cost of maintenance supplies and continual rise in prices of general merchandise have necessarily increased the general expenses of the Home.

All holidays have been observed in an appropriate manner befitting the day. July 7, 1907, the Home memorial services were observed in Peter Smith Hall.

Aug. 13, 1907, the first shovel of earth was removed for the foundation of the new hospital, and November 11 the first brick was placed.

Jan. 7, 1908, occurred the first accident, resulting seriously to one of the men working on new hospital, he falling from steel beam while placing same in position.

Jan. 11, 1908, Rev. Joseph F. Lovering reported as Chaplain of the Home, and immediately entered upon his duties.

Feb. 1, 1908, Dr. Robert A. Blood reported and assumed charge of the hospital.

Feb. 26, 1908, Elisha T. Harvel, Vice-President of Board of Trustees, died, the funeral being held March 1 at his home.

April 12, 1908, occurred one of the greatest conflagrations in the history of the city, causing great loss of life and serious injury to hundreds. The entertainment hall and library of the Home were at once used as a temporary hospital for all sufferers, and sixty-seven persons were cared for and given medical attention, nine of this number being from the Frost Hospital, and thirteen of them were admitted to the Home permanently. The last one of the sufferers left our care on May 10.

May 24, memorial services were held in the First Congregational Church, being attended by sixty-six members of the Home.

May 25, Inspector-General Curtis of the National Soldiers' Homes mustered and inspected the Home.

May 28, another accident occurred, the ceiling of part of second floor in the new hospital fell, carrying with it two of the plasterers, who miraculously escaped serious injury.

May 30, 176 members of the Home went in cars and barges to Forest Dale Cemetery, Malden, where memorial services were held and graves of departed comrades decorated.

June 30, there were 520 men in the Home, being the largest number since July, 1907.

To the Surgeon and assistants in the hospital, Chaplain, Adjutant, officers and general help, I desire to express my thanks for their efficient services and kindly interest and endeavors in bringing the standard of the Home to its present standing, and their loyal and obedient endeavors at all times.

The average cost of maintaining the Home per capita per annum is \$274.13.

The average cost of subsistence has been \$0.2409 per man per day.

Herewith are forwarded the reports of the Surgeon and Chaplain, together with descriptive list of all members of the Home for year ending June 30, 1908.

Respectfully submitted,

CHAS. E. HAPGOOD,  
*Superintendent.*

## Surgeon's Report

---

SOLDIERS' HOME IN MASSACHUSETTS,  
CHELSEA, July 1, 1908.

COL. CHARLES E. HAPGOOD,

*Superintendent, Soldiers' Home in Massachusetts.*

Sir: I have the honor to forward a short report of the Medical Department of this Home since the time I assumed charge of the same, Feb. 1, 1908.

I found Dr. Philip C. Means, Acting Surgeon-in-Chief, with Dr. Lawrence R. Hill as his assistant.

At that time the hospital was found in good condition. The patients were receiving good medical treatment and kind care and attention from nurses and ward men. The methods of running the hospital, and which were evidently the result of the many years of study and conscientious work by the late Dr. I. W. Starbird, needed no material change.

During and after the great Chelsea fire we entertained for some weeks forty or fifty of these unfortunate people, men, women and children who were driven from their homes by the fire. They were cared for and treated by Dr. Means and Dr. Hill. They were fed and nursed, receiving the unremitting attention of the whole hospital staff.

In April, after this occurrence, Dr. Hill, while dressing a septic foot, became infected. He came near losing his life by the illness which followed. The loss of Dr. Hill's services was much regretted by me, as his attention to duty and ability to perform that duty made his assistance very valuable. Very soon after Dr. Hill gave up and was removed to the Massachusetts General Hospital, Dr. Means became ill, causing him to take a vacation for nearly two months.

The loss of the services of both my assistants made it necessary to procure two more surgeons. Dr. Shaw of Boston, and Dr. Webb of New Hampshire came to assist me. Dr. Webb has been of great help, he having received his training in part while serving as Assistant Surgeon in the old 33d Massachusetts Regiment Volunteer Infantry.

My nurses, as a whole, are good. We have been fortunate in procuring desirable trained help.

It is more difficult to get good faithful ward men. I have several old veterans who have worked some years in the hospital. They prove to be the best men to care for their old comrades, but they are growing old and the time will soon come when this supply will be cut off. The time is coming in the near future when we shall have to go outside for all our ward men.

In Mr. Cutter as Hospital Steward I have an assistant who is invaluable, a good pharmacist, faithful to duty, conscientious, and a helper whose place it would be hard to fill.

I don't propose to discuss here the question as to what we will do when we get into the new hospital. There is one thing sure, the new building has not come any too soon. It is a splendid structure and worthy to be occupied by our best veteran soldiers.

In closing I wish to express my thanks to every officer and member of the Home whom I have been brought in contact with for the universal kindness and courtesy shown me since coming here. I especially desire to thank Colonel Hapgood and the members of his staff. I am much indebted to Dr. Means, and thank him for compiling the statistics of the hospital.

I here wish to testify to the worth of our genial Clerk, Louis A. Kent, who has long been a member of the Home. His work is worthy of all praise.

Respectfully your obedient servant,

ROBERT A. BLOOD, M.D.,  
*Surgeon.*

## Chaplain's Report

---

SOLDIERS' HOME IN MASSACHUSETTS,  
CHELSEA, July 2, 1908.

COL. CHARLES E. HAPOOOD,  
*Superintendent.*

*Dear Sir:* Permit me to report for the year ending June 30, 1908. I came to the Home January 11, and have been in attendance ever since. My duties have not been prescribed. I have tried to do whatever seemed to be for the moral and spiritual welfare of my comrades.

Sunday services have been held in Peter Smith Hall under my direction, excepting April 12 and April 25, when no services were possible because of the Chelsea fire of April 12. On April 19 evening services were held in the parlor, and again on May 3. On May 10, afternoon and evening services were resumed in Peter Smith Hall.

Our Home memorial service was held June 28, when an impressive address was made by the Superintendent, commemorative of Elisha T. Harvell, Vice-President of the Board of Trustees, followed by remarks by the Chaplain, paying tribute to our first President, Gen. Horace Binney Sargent, one of the original founders of the Home; to Dr. Isaac W. Starbird, who died Feb. 2, 1907, one of the most able surgeons connected with the institution, and to the brave and worthy comrades who have died during the past year.

The Sunday Memorial Day services of the G.A.R. were held at the First Congregational Church, attended by a large delegation of officers and men. An eloquent discourse was given by the Rev. John A. Higgons, D.D., of the Central Congregational Church. The Chaplain was present and took part in the exercises.

The work in the hospital has been considerable. The wards

have been visited daily when practicable, and all visits have been welcomed.

Since his residence the Chaplain has officiated at six funerals and at one in Hudson. Two others have been had, one by a Roman Catholic priest, and the other by Rev. R. Perry Bush.

The Chaplain respectfully recommends that efforts be made to elevate the tone of the social entertainments, so that they shall be more suited to men of intelligence and patriotic experience, and that such entertainments be restricted to Monday and Tuesday and Thursday and Friday in the week.

He would also recommend that Wednesday evening in every week be reserved for distinctively religious, literary or patriotic purposes. He would also recommend that measures be taken in the near future for such religious instruction as our Catholic comrades may desire and should have.

The work of a Chaplain is more important than it shows. It has to do with present conduct and vital issues. The majority of those in the Home are old, the disease of age is persistent. It began in the cradle, it will end in the grave. It gives character to the life that continues, and character writes epitaph.

I am doing, I will try to do, the best I can.

With respect,

JOSEPH F. LOVERING,  
*Chaplain.*
